- Plant a Show Garden -

THE MORE YOU SHO
THE MORE YOU SELL.

LET US HELP YOU ADD
THE RIGHT VARIETIES

Mr. Chas. F. F. Verschoff,
1025 W. Capitol St.,
Washington, D. C.

Dear Grower:

You're like every one else, you want to make all the money you can.

Have you ever considered what a Show Garden of Peonies and Irises would do for you?

I find a Show Garden pays me and I know it will pay you. Orders can be taken from it for years and years. Of course you must plant plenty of varieties to have bloom coming all through the Peony and Iris season from the very earliest to the very latest, then every visitor will be a prospect for you, from six to eight weeks.

I would suggest in planting your Show Garden, you plant from one to five Irises, then one to five Peonies, along the paths, as the following example shows:

Peony	Iris		Iris	Peony	Peony	Iris		Iris	Peony
1	1		1	1	1	1		1	1
111	111	Path	111	111	111	111	Path	111	111
11111	11111		11111	11111	11111	11111		11111	11111

With such an arrangement, visitors can readily see the names of the varieties, note all their good points and make their selections easily.

To help you build your Show Garden, I will allow the following discounts:

- 100 Varieties of Peonies or 100 of Irises, 5% Discount.
- 200 Varieties of Peonies or 200 of Irises, 10 % Discount.
- 300 Varieties of Peonies or 300 of Irises, 15 % Discount,
- on the single or five of a kind, price.

This list gives you our new wholesale prices in lots of one, five, and twenty-five or more.

You will note the attractiveness of the prices. I would suggest for your protection that your wants be covered as soon as possible to insure delivery.

Of course, prices are for 3 to 5 eye divisions as recommended by the Com. Peony & Iris Growers Association.

Wishing you a successful season, I am,

Very truly

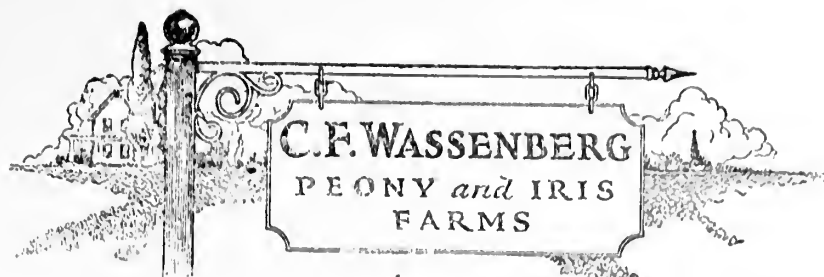

Chas. F. Wassenberg
